Store Manager

➤ Add Products

➤ Update Products

The screenshot shows a web browser window with the URL `localhost:8080/Assignment_kp/ProductUpdatePage`. The page features a navigation bar with links: HOME, ADD PRODUCT, UPDATE PRODUCT, DELETE PRODUCT, and SIGN OUT. The main heading is "Welcome Store Manager". Below this, the section is titled "Product Update". It contains a form with two input fields: "Enter Product ID" (with a placeholder "Enter Id") and "Select Product Category" (with a dropdown menu showing "Sound System"). A large green button labeled "Update Product" is positioned at the bottom of the form.

➤ Delete Products

The screenshot shows a web browser window with the URL `localhost:8080/Assignment_kp/ProductDeletePage`. The page features a navigation bar with links: HOME, ADD PRODUCT, UPDATE PRODUCT, DELETE PRODUCT, and SIGN OUT. The main heading is "Welcome Store Manager". Below this, the section is titled "Product Delete". It contains a form with two input fields: "Enter Product ID" (with a placeholder "Enter Id") and "Select Product Category" (with a dropdown menu showing "Sound System"). A large green button labeled "Delete Product" is positioned at the bottom of the form.

➤ Register User

The screenshot shows the 'Register' page of the BestDeal web application. The browser address bar indicates the URL is localhost:8080/Assignment_kp/RegisterPage. The page features a blue navigation bar with links: HOME, TELEVISION, SOUND SYSTEM, PHONES, VOICE ASSISTANT, FITNESS WATCHES, SMART WATCHES, HEADPHONES, LAPTOPS, LOGIN, and REGISTER. On the left, there are two red headers: 'TECHNOLOGY PRODUCT' and 'WIRELESS PLANS'. Under 'TECHNOLOGY PRODUCT', a list of categories is shown: Television, Sound System, Phones, Voice Assistant, Fitness Watches, Smart Watches, HeadPhones, and Laptops. Under 'WIRELESS PLANS', the 'Basic' plan is listed. The main content area is titled 'Register' in green. It contains a form with the following fields: Username (with placeholder 'Enter Username'), Password (with placeholder 'Enter Password'), FirstName (with placeholder 'Enter First Name'), LastName (with placeholder 'Enter Last Name'), Gender (with radio buttons for Female and Male, where Male is selected), and Age (with placeholder 'Enter Age'). A large red button labeled 'Register' is positioned at the bottom right of the form area.

➤ Login

The screenshot shows the 'Login' page of the BestDeal web application. The browser address bar indicates the URL is localhost:8080/Assignment_kp/LoginPage. The page features a blue navigation bar with links: HOME, TELEVISION, SOUND SYSTEM, PHONES, VOICE ASSISTANT, FITNESS WATCHES, SMART WATCHES, HEADPHONES, LAPTOPS, LOGIN, and REGISTER. On the left, there is a red header 'TECHNOLOGY PRODUCT' with a list of categories: Television, Sound System, Phones, Voice Assistant, Fitness Watches, Smart Watches, HeadPhones, and Laptops. The main content area is titled 'Login' in green. It contains a form with the following fields: Username (with placeholder 'Enter Username'), Password (with placeholder 'Enter Password'), and a role selection section with radio buttons for Customer (selected), Sales Manager, and Store Manager. A large red button labeled 'Login' is positioned at the bottom right of the form area. A 'Register' link is located at the bottom left of the page.
