➤ Delete Product

The screenshot shows a web browser window with the URL `localhost:8080/Assignment_1_kp/ProductDeletePage`. The page features a navigation bar with links: HOME, ADD PRODUCT, UPDATE PRODUCT, DELETE PRODUCT, and SIGN OUT. Below the navigation bar, the text "Welcome Store Manager" is displayed in red. The main heading "Product Delete" is also in red. The form includes a text input field labeled "Enter Product ID" with the placeholder "Enter Id", a dropdown menu for "Select Product Category" currently showing "Sound System", and a large green button labeled "Delete Product". The Windows taskbar at the bottom shows the time as 19:04 on 22-09-2019.

➤ Update Product

The screenshot shows a web browser window with the URL `localhost:8080/Assignment_1_kp/ProductUpdatePage`. The page features a navigation bar with links: HOME, ADD PRODUCT, UPDATE PRODUCT, DELETE PRODUCT, and SIGN OUT. Below the navigation bar, the text "Welcome Store Manager" is displayed in red. The main heading "Product Update" is also in red. The form includes a text input field labeled "Enter Product ID" with the placeholder "Enter Id", a dropdown menu for "Select Product Category" currently showing "Sound System", and a large green button labeled "Update Product". The Windows taskbar at the bottom shows the time as 19:04 on 22-09-2019.
